

To all my Friends & Neighbors in Post #6:

Just a reminder that we need to return to the polls on August 8<sup>th</sup> to vote in the run-off election for the Cobb County School Board Post #6 Republican Primary. Even if you didn't vote last Tuesday, you can still vote on August 8<sup>th</sup>...so you get another chance to voice your opinion.

While John Crooks took a commanding lead with 44% of the vote, he still needs more to take the nomination. It is my hope that those of you who were supporters of Randy Turner & Al Rowe will lend your support to John Crooks to send a resounding message to the Board of our united desire for a change in the direction the current Board has been going. The wasted tax dollars on legal fees, the deceptive and secretive methods for the lap-top & redistricting fiascos and the rude & condescending attitude of current board members to their constituents must change.

John Crooks is an honest, reasonable and ethical man whose wife is the head of the Science Department at Wheeler and whose children are products of the Cobb School System. I know he will be a consensus builder and bring back fair and common sense solutions to the many issues facing our school system today.

Please mark your calendars for August 8<sup>th</sup> and return to the polls one more time to vote for John Crooks.

Best regards,
